SYMBOLS FOR 2010 SEASON CARDS

The symbols below are to be used with the 2010 season APBA baseball cards when playing the APBA Baseball Master Game.

Players are listed in the same order as they are on that year's lineup sheet, XB players are denoted as such.

The abbreviations heading the respective columns below are defined as follows:

- BC - batting characteristic
- Gr - numerical grade rating
- St - steal allowance letter and success number
- WP - wild pitch rating
- Sp - speed rating
- HB - hit batter rating
- Ar - arm rating
- BK - balk rating
- PB - passed ball rating
- MF - move-to-first rating
- Th - throwing rating on steals
- QR - fatigue rating

The proper utilization of each of the above symbols is described within the game instructions. Some symbols, of course, apply only to pitchers; others apply only to catchers.

An asterisk (*) following a pitcher's grade rating indicates it is strictly a relief rating. Some pitchers have separate ratings for starting and relieving.

NOTE: Some few player cards have an asterisk(*) following certain result numbers, providing for an immediate stolen base. This automatic steal DOES NOT APPLY when playing the Master Game. It is in effect only with the basic game.

In the "BC" column, the number before the slash is ADDED TO (if it's a "-" or SUBTRACTED FROM (if it's a "+") the pitcher's grade when a lefty is on the mound. The number after the slash works the same way when a righty is pitching. A "+" helps the hitter; a "-" hurts him.
