

Default Instructions

The Warrenton Giants have elected not to use a designated hitter. [Please invalidate the DH](#) for the Giants when loading the lineups. From the constitution

Starting Pitching: They are stapled to the mound for the 1st 7 innings. In months where Blach starts Cotton is down and When Cotton starts Blach is down.

Bullpen: Mix and match.

Hit & Run: To stay out of a double play or to advance a player into scoring position later in the game.

Stealing: Aybar and Span occasionally.

Pinch Hitting, Pinch Running: Your discretion.

Defensive Replacement: In the late innings of a close game bring the best gloves available.

Base Running: I like to be aggressive. I would rather a player be thrown out on the bases than left to die there.

Infield Depth: Play **"DEEP"** for the DP, unless the tying or go ahead run is on 3rd in late innings.

Home Game Version: Master Game.

Primarily, have fun. These instructions are meant as a guideline. Do not be afraid to do something else if it makes sense to do so.
