Hit and Run This has the priority. When legal and 23+ chances. Stop for a runner when he has used one stolen base attempt.

Straight steal do not use

Sacrifice when Russell is up and fast runner on score -2 to +1

Pinch hit Russell when a base runner is needed in 8th or 9th Frazier is LHB Vazquez is RHB

Pinch runner for Vazquez and Molina winning or tying run in the 8th or later. Pinch run for Abreu only if winning run. Use Difo or Frazier

Be aggressive on the bases 22+ chance, or well around or around and speed is 15 or greater. Try for sacrifice fly to score where fielder is at the fence or moving to the gap.

Never take third on a double with no one on.

Defense

When up by 1 or 2 in the 9th place Difo 3B,

Play for the double play when leading and runner on third is not tying run or if the double play gets us out of the inning.

Play in with less than 2 outs and runner is winning or tying run in 8th or 9th or extra innings.

Hold runners and pitch from the stretch as per default.

Throw for winning or tying runs at the plate in 6th or later. Keep the double play in order always.

Intentional walk only when absolutely needed don't let best hitter beat us in bottom of the 9th if weaker hitter follows.
