**Infield:** Use your best judgment.

**Intentional Walks** Use your best judgment. I prefer to use this in game changing situations, don't let your big gun drive in the winning run if the base is open.

**Sacrifice:** Use your best judgment. Try not to take the bat out of the hands of the big hitters.

**Pinch hitting/running:** Usually the only pinch hitting will be for the catcher each game in the 7th or later otherwise only in case of injury

**Hit and run:** This is my favorite way to use my SBA's. In the sixth with the score -2 to +1 with Fukudome, Tabata, or Getz on first and Willits, Tabata, Izturis or Getz at bat.

**Steal:** See Hit and Run we prefer that whenever possible over the straight steal

#### **Positions:**

**Catcher-** Jason Varitek, Jake Fox, and Craig Tatum will split time behind the plate this year. Usually the starter will be pitch hit for it the 7th or later.

**First Base-** Miguel Cabrera should be here everyday all day unless injured. Bobby Crosby will be the back up incase of injury

**Second Base-** Luis Valbuena Scott Sizemore, and Chris Getz will cover second base

**Shortstop-** Macier Izturis, Bobby Crosby, and Jack Wilson will split time at short this year.

**Third Base-** Evan Longoria will step in as the starter for most of the year. Bobby Crosby will be the back up incase of inju

**Outfield-** Andre Ethier, Kosuke Fukudome, Jose Tabata, Brandon Boesch, and Reggie Willits will all see time in the outfield.

**Designated Hitter-** Chris Getz, Andre Ethier and a few others will split the at bats here.

#### **PITCHING:**

**Starter-** Staple the starter to the mound and don't remove them until you are forced to or if we have a lead after 6 innings.

**Bullpen-** The Bullpen is should have 6 guys in the pen and they should be used when a starter can't finish the game. Marmol is the closer but will pitch more often since wins will be few and far between. You can mix and match to try and spread around the innings needed to get through each game. I will send out details with each series as to how many innings each pitcher should be limited too.

**Questions-** Feel free to give me a call if you have any questions 740-361-1924.
