2011 Instructions
The Lonestars play the Boards

We will be sending monthly instructions. Use these if no instructions have been received by the deadline.

Please employ the inning by inning guidelines during games. I designed it to make applying my instructions more easily. Good luck.

CUTS: none
WAIVER: TBD

Infield: Bring IN whenever a runner reaches third w fewer than 2 outs and the score is +/- 1 run. Otherwise, play back.

Intentional Walks: Rarely, but don't let your big gun drive in the winning run if there are 2 outs in 8th or 9th.

Sacrifice: A staple of the Lonestars. Kendall, Overbay, Gwynn, Feliz, Bell, Moore, and Blum have the green light to sacrifice with a runner on first and fewer than 2 outs in any inning as long as we do not lead by 3+. Never sacrifice with Pence, Willingham, Ross, or Damon. Anyone else may sacrifice in 7th inning or later with a runner on first or 1st & 2nd AND no one out when tied or +/- 1run.

Pinch running: Damon, Gwynn, and Kelly are the key guys on the bench. Others may be used as needed. ALWAYS replace a (S) runner on second with the fastest bench player available if the score is tied or +/-1 in the 8th or later with fewer than 2 outs.

Pitch Hitting: Never use the bench catcher. Please see player instructions for when to and whom to use.

Hit and run: This year the H&R will be the way to use my SBA's. **RUNNERS:** Pennington, Furcal and Pence (anytime the score is within 2 either way); Damon, Kendall (Only with the score +/- 1 in the 7th inning or later). **BATTERS:** Furcal, Prado, Pence, Damon, Feliz, Kendall, Pennington, Gwynn, Hanigan or Blum. **NEVER** with Overbay, Bell, Moore, Kelly, Willingham, Dunn or Ross.

Steal: See Hit and Run we prefer that whenever possible over the straight steal
